President

The Rev. Father George J. Renneker, S.M.

With a quiet approach and human understanding the Reverend Father George J. Renneker fulfills his position as president of the university. Twenty-four years of administrative work along with five years of executive tasks have contributed to a philosophy of guidance which has become so much a part of this quiet sincere man.

Borrowing from the best of the past and encouraging the initiative of co-workers is our president's two-fold theme of effective leadership.

This pattern of success, so universally appealing, forms a sincere and inspiring sentiment which will guide the university in its years of progress ahead.

Vice-President

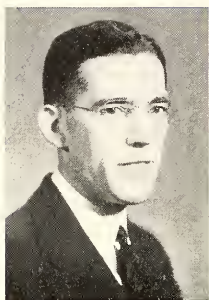

Vice-President and Dean of the University, Dean of Men, Chairman of the Committee on Admissions and Degrees, Professor of Psychology—these are some of the many positions filled by Rev. Charles L. Collins, S.M.

Those titles mean work, particularly in these days when enrollment at the University has reached its highest level, but Father Collins is more than equal to the tasks he must perform. Acting quickly and wisely, he performs his many jobs with the calm, serene composure that fails to disclose the pressure of the responsibility that rests upon his shoulders.

Father Charles L. Collins, S.M.

Administration

Brother Elmer C. Lockner

Working in the two-fold capacity as registrar and as executive secretary of the university, Brother Elmer C. Lockner may well be regarded as the link between student activity and academic recognition. Always ready with constructive suggestions, he now completes his second year in supervising and maintaining school records.

Brother Jerome McAvoy

Bro. Jerome McAvoy fills the important position of Business Manager for the University. On him rest the budgetary responsibilities, the authority for all disbursements, new installations and buildings, and in general, the supervision over all the temporalities necessary for academic efficiency.

To carry out these duties, Bro. McAvoy is assisted by Bro. William Dapper as Treasurer, Bro. James Kline as Purchasing Agent, and Bro. Joseph Meder as Maintenance Director. Miss Mary Tuite assists Brother Lockner as assistant registrar.

Deans

Brother Austin Holian

Guidance is the important task concerning Brother Austin J. Holian, S.M., dean of the College of Engineering. Having one of the largest student enrollments at the University, the College of Engineering poses many problems, involving classroom space, plans for new buildings, the adjustments in curriculum required by modern engineering developments, and the maintenance of high scholastic standards indicative of a good engineering college. That Brother Holian has succeeded in solving these many problems is graphically exemplified by the quality of the graduates from the college and by the high scholastic standing the college has attained.

Brother Louis A. Saletel

Versatility is typified in Brother Louis A. Saletel, S. M., Associate Dean of Science, Professor and head of the Department of Geology, and Advisor of the "Daytonian." The departments of Mathematics, Physical and Biological Sciences, Nursing and Medical Technology are growing steadily under his careful hand; his students find him a ready and capable guide in their varied problems. Despite the many duties placed on him by the Science Division, he directs the "Daytonian," providing the many photographs even to the point of occasionally taking the photographs himself.

Father Henry Kabe, S.M.

Returning to the University of Dayton in 1946, after service as a U. S. Army chaplain, the genial Rev. Henry J. Kabe, S.M., once more took up his important duties as Dean of the College of Arts and Sciences.

As Dean, Father Kabe has the important task of assisting the Arts students in planning well-rounded and complete schedules. Father Kabe is able to render the student valuable service in the selection of courses. His years of valuable experience are enriched by a keen awareness of human nature and by an innate ability to guide with wisdom and sincerity.

Deans

Dr. Daniel L. Leary

For eleven years Associate Dean in the College of Education, Dr. Daniel L. Leary fulfills his position with assurance and efficiency. A wide variety of practical and academic experience serves as a sustaining background for this busy man in his multi-rolled schedule as dean, professor and lecturer.

Aside from the many duties connected with an expanded enrollment in the College of Education, Dr. Leary is also connected with educational work off campus. Recently elected Secretary Treasurer of the Teacher Training Division of the Ohio College Association, he serves both school and community under the general theme of Education for All.

Rev. Edmond J. Baumeister

Father Baumeister is the Dean of the Graduate Division. Many of the teachers in Dayton have undergone the strict discipline and exact method of study and thesis work which characterizes Father Baumeister. His energies extend themselves also to the directorship of the Marian Library which has expanded to more than 2000 volumes in English, German, French, and Italian. Books written about the Blessed Virgin Mary in Chinese, Japanese, and Hindu are kept as curiosities.

Sister Agnes Immaculato

Reverend Sister Agnes Immaculato, S.N.D., Dean of Women, is general coordinator of all affairs concerning our coeds. She is a trusted and gracious advisor to this group; she spares no efforts to solve any difficulties that occur for the students, be these matters academic or otherwise. Sister Agnes is also Moderator of the Mothers' Club.

Upon the shoulders of Bro. George W. Nagel, S.M. fall two distinct and important jobs. As co-ordinator of Veterans' Affairs, Brother Nagel has the task of advising the student veterans, and of handling much of the paper work that a predominantly veteran student body entails. As Acting Dean of the Division of Business Administration, he must perform the duties of advising, guiding and assisting the many students enrolled in that division.

An astute businessman, possessing a keen understanding of human nature, Brother Nagel performs his tasks wisely and justly. His door is always open to veterans and business students alike. His task is not an easy one as he listens to the many problems brought before him; but he accepts them all with responsibility and human interest.

Bro. Geo. W. Nagel S.M.

In Memoriam

Brother Fred Paff, S.M.

At the University of Dayton and in the Society of Mary the death of Brother Frederick G. Paff, S.M. on October 24, 1947, was answered by comments which were unanimous in their sincere sorrow at his passing.

Students of St. Joe's Hall and Marianists who knew "Brother Fred" personally, all acknowledged the personal charm of the sturdy 85-year-old Religious disciplinarian. He was, as it were, a living monument of inspiration to "His Boys."

Brother Fred died in the 69th year of his religious profession. His loyalty to the Society of Mary was contagious. His death, though sudden, is an object lesson to all men that crowning success in life calls for courageous and dedicated leadership.

Mrs. Rose's instructions promise some tasty dishes in future homes . . . Engineers have a wealth of equipment available in the Physics lab . . . taking dictation from Mrs. Jones seems fascinating . . . the "new look" develops with Sr. Hilda's help . . . Donna's pleasant help in the pleasant surroundings of the Library . . . the orchestration class tries out its assignment under Mr. Reichard and Mr. Harper.

Sue and Buena are great helps to the veterans who throng in Brather Nagel's office . . . Rosemary, Eileen and Ann get your grades in order, and it seems to be a happy job . . . Opal is a familiar figure to the evening class students whom she advises with quiet cheerfulness . . . Mary Helen and Sue have plenty to do besides giving you your student pass.

Secretarial Staff

Secretaries and office assistants have as primary aim the maintenance and care of the offices and office records. Working for the various deans their familiar faces engage in the extensive paper work which makes the clerical machinery run smoothly at the U. D. Because of their smiling service and helpful suggestions, these young ladies are greatly instrumental in establishing and maintaining that spirit of friendliness between administration and students which is so characteristic of the campus.

Katherine, Ruth and Dottie assemble to smile for the photographer in the Admissions' Office . . . Miss Carey, with her kindly help, eases the thorny path of the engineer . . . efficient and cheerful service comes from Anne and Pat in the Science office . . .

Miss Stephan and Phyl, the girls behind the treasurer's grill . . . Julie, the pride of the Arts department . . . Jayne's a Home Ec student but smiles away in the Engineering office . . . Miss Ryan, ever ready to give either information or the welcoming smile.

Library A place of silent concentration, ... a source of knowledge from the past.

CLASSES

Division of Science

The Science Division under the capable direction of Brother Louis A. Saletel prepares its students to take their places in professional and scientific fields.

Well-rounded curricula are offered in Biological Sciences, Mathematics, Chemistry, Physics, Geology, Nursing, and Home Economics. A worthy number of the Biological students are accepted into the medical and dental schools throughout the country.

Due to the many scientific research laboratories in and around Dayton associated with the various industries there has been an increasing number of students enrolling in the Mathematics and Physical Sciences courses. The modern hospitals in Dayton are affiliated with the University for Nursing and Technology courses.

Several honor societies have been established within the Division of Science in recognition of the high quality of work done by the students.

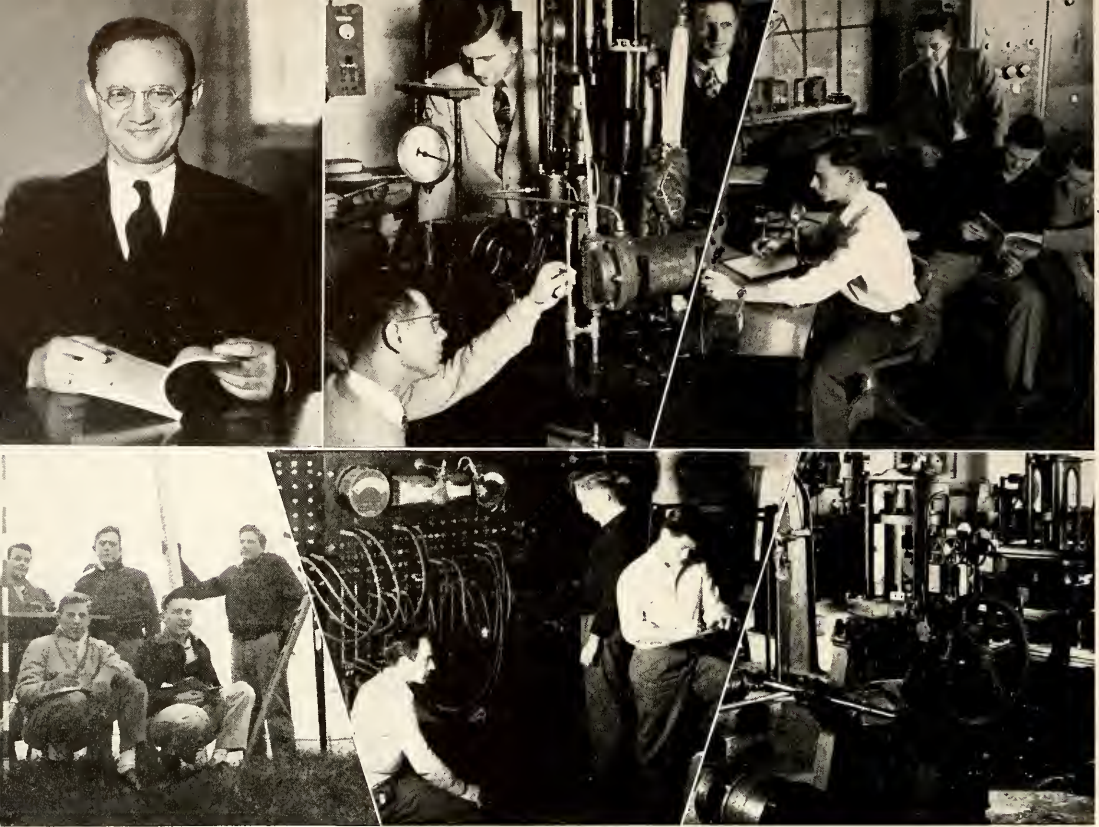

Division of Education

The Department of Education, adhering to the principle that good teachers are made as well as born, provides professional training that will enable the student to understand and make practical application of the principles of psychology and the methods and techniques of good teaching.

The courses in education aim also at general culture, enabling the student to enrich and enhance his own life, by giving him an understanding of himself, his thoughts, attitudes and conduct.

Since good schools are ultimately the result of good teachers, this division aims primarily in creating graduates who can conduct elementary or secondary school classes intelligently and efficiently.

Division of Engineering

The Engineering Division, with Brother A. J. Holian as head, trains students to be the future builders and leaders of tomorrow. The students take a variety of subjects that give the best chance for them to act as leaders in industry.

The College of Engineering is divided into four departments: Chemical Engineering, headed by Brother Wohlleben, prepares the student for technical and executive positions in Chemical Industries, Civil Engineering, with Mr. Chamberlain as head, tends to educate students so they are well prepared for any field in Civil Engineering, the Electrical Engineering, acting head is Brother L. Rose, provides knowledge of electricity and application of these laws in the Electrical Engineering Field, and lastly, the Department of Mechanical Engineering, with Brother Weber as head, gives fundamental principles of science and application of them in ordinary life.

The College of Engineering has one of the largest enrollments of any division in the University.

Its graduates are recognized not only by the many industries of Dayton but throughout the country, in Hawaii, and in some countries of South America as well, for their dependability and professional initiative.

Business Administration

The Division of Business Administration prepares students for activity in business, community leadership, and services. Because intelligent business and community leadership requires a well-rounded character and mind development, this Division feels that its students must not only be well-versed in Commerce and its related fields but also in those of Philosophy and the Social Sciences.

The Division offers majors in accounting, business organizations, economics, finance, personnel administration, secretarial studies and business education. Programs are fitted to meet the needs of the individuals.

Bro. G. W. Nagel, S.M., Assistant Dean, is Acting Head of the Division of Business Administration.

Division of Arts

The Division of Arts is under the direction of Rev. Henry J. Kobe.

The main function of the division is to provide the fundamentals of a liberal education. Among the objectives of the Division are the following; to enrich the student's cultural background; to stimulate intellectual activity; to educate for satisfactory social adjustments; to develop capacities for leadership.

The Division of Arts also furnishes special preparation for various professions such as education, music, law, journalism, social service, as well as the comprehensive forms of business and industrial activity. It also prepares students for graduate study.

We are experiencing a period in which there is an absence of war but also a lack of a stable peace. The necessity of an adequate reserve of men trained in the discipline, organization, and management of troops is realized by all.

That the Staff of the U. D. Infantry Battalion of the Reserve Officers Training Corps., is fully cognizant of this situation which may possibly demand these men trained in military tactics and leadership is manifested by the business-like method in which the military staff implements its objectives in instructing 362 basic and 28 advanced trainees.

Pershing Rifles

Company B-1 started out the school year with an active campaign to pledge new members. This program was carried on in a competitive manner through the first semester, and in January, forty-five basic members and six officers were initiated in an impressive ceremony at the Student Union Building.

The main activities for the year included marching in the Armistice Day Parade, sponsoring the Christmas Ball and the Annual Military Ball, participating in Pershing Rifle Conventions and Drill Meets, and the annual spring party for members only. The Company made an excellent showing in all of these activities.

In March William Fitzpatrick was elected Company Commander and Robert Beck First Sergeant to replace John F. Archer and Edward Braunlin who had completed their R.O.T.C. courses.

ORGANIZATIONS

Student Council

The Student Council acts as an advisory body representing student opinion and presenting recommendations to the faculty. It also strives to foster a spirit of cooperation and co-ordination among the various organizations. The representatives are chosen at the annual class elections.

Through a sinking fund, the Council gives financial backing to any affair that is sponsored by the recognized organizations on the campus with its consent.

During the year the Council sponsored a barn dance, and cooperated with the spirit committee in the various pep rallies, including the homecoming festivities. It sent representatives to the convention of the National Association of Students in preparation for making a decision in regard to joining the association.

The officers of the group were James Finke, president, Frank Hollenkamp, vice-president, Vera Seiler, secretary, and Peter Kuntz, treasurer.

FIRST ROW: J. Kelley, H. Humpert, D. Palmert, E. Seeback, G. Mumpower, L. Dugan.

Debating Society

Action was the key-note of the Upsilon Delta Sigma as the members moved into the second season of debating since the reactivation of the society following the war. Action marked by two tours—one to the East including Fordham University, Rutgers, University of Penn., Temple, Catholic University, St. Vincent, and Duquesne and a northern trip including Toledo, John Carroll, University of Michigan, and West Michigan College. John Fisher and "Walt" Diver represented U.D. on the eastern tour and Paul Granzow and John McHugh stomped the northern loop. Both teams won the privilege of going on these trips on a competitive basis.

The topic for this season which was accepted and used by all debating societies throughout the country was, Resolved: "That a Federal World Government Should be Established."

Further action of the society included several demonstrations before private groups within the city in addition to the regular Friday evening meetings in Alumni Hall. Tentative plans for the traditional banquet and presentation of the "President's Award" have been announced by the moderator of the society Bro. Wm. O. Wehrle and this function will terminate an extraordinarily successful and active 1948/49 debating season.

The officers of the society are: President, Norris Helwig; Vice-President, John Steinbruggie; Secretary, Harry Humpert, Treasurer, John Fisher; Publicity, Edwin Seebaeck; Manager, Joseph Higgins.

FIRST ROW: E. Fiste, C. McMullin, M. Monty, M. Ganison, H. Duderstadt, S. Kelly.

U. D. News

Evidence of the technical skill developed by staff members may be observed in the typographical attractiveness of the campus newspaper, The University of Dayton News.

Consistent winner over a decade of years of the "All-American" and "All-Catholic" awards, the University of Dayton news-sheet is in the front rank of outstanding college newspapers. The moderator is George F. Kohles, S.M., M.A.

Supported by more than a score of journalists, James R. Dunne, editor-in-chief from Mayfield Heights, Ohio, and Edward J. O'Neil, sports editor from Dayton, Ohio, have kept the newspaper representative of the highest achievement.

Mechanical Engineers' Society

The Mechanical Engineering Society was founded in 1936 for the purpose of fostering departmental spirit and to familiarize its members with the profession through lectures and field trips. The society is sponsored by the Dayton Section of the American Society of Mechanical Engineers.

By means of personal contact with practicing engineers, and information gathered from recognized authorities in engineering fields, as well as observation of actual plant operations and processes, the student is given some idea of what to expect in his chosen line of endeavor.

Activities for the year were under the direction of the president, Robert Schweller, secretary, Jerry Helmig, and publicity director, Jack Zimmerman. Bro. Jerome Parr served as faculty advisor.

FIRST ROW: A. Chang, G. Schinbeckler, V. Stefaneck, R. Kelly, D. Yee, D. Lau; SECOND ROW: R. Kass, F. Schmidt, A. Jansen, J. Yerger, T. Graham; THIRD ROW: T. Phillips, A. Diringer, W. Gallagher, H. Nye, E. Flint

The Chapel Choir of the present year functioned regularly, Sunday after Sunday, and faithfully held to the praiseworthy traditions bequeathed to it by former choir groups. The number of active members remained relatively small, but each one made an honest and evident effort to make up for this apparent deficiency by redoubled attention at practices and by a most gratifying dependability.

Al Diringer's leadership and unflinching good example merits special mention, as do the services of the untiring librarian, Bill Gallagher. With such valuable assistance and the wholehearted cooperation of all, the Director of the Chapel Choir, Bro. Tom, as he is familiarly called, was able to develop a working repertory of several masses and motets, all by composers of recognized merit. From the liturgical point of view, each individual composition fully met even the most detailed requirements of fitness, good musicianship and religious inspiration.

Future Chapel Choirs will do well to look back in admiration and praise upon the work of the fine group of boys represented here.

Flyers' Hangar was established in order to further the social contacts among the students. It has lived up to its purpose admirably this and every year since its beginning three years ago. Dances were held every other week, with several special ones scheduled. There were distinctive decorations and refreshments when the season demanded. Al Spraurer and his orchestra were the regular entertainers, and on occasion impromptu entertainment was offered by the students themselves.

Sociology Club

University of Dayton Band

Resplendent in bright new uniforms, the University of Dayton Band went into full swing in its second post-war year. Sixty-five musicians and fifteen members of the Girl's Drill Unit took the field during football season, and headed by Dayton's famous and colorful drum-major, Bob Dawson, provided snappy programs at half-time. Fans thrilled when, at the command "Company Front!", the entire band marched the length of the field in a single line extending from one sideline to the other.

The twenty-second annual spring concert crowned the year's more serious work at the N. C. R. Auditorium.

The band is directed by Maurice R. Reichard, head of the music department. Officers are William Fitzpatrick, president; Dean Matheney, vice-president; and Howard Miller, secretary-treasurer. Kenneth Morrissey acted as band manager, and Fred Freauf was in charge of the Girl's Drill Unit.

U. of D. Players

FIRST ROW: F. Dershem, R. Busic, J. McKay, M. Monty, J. Warman, C. Price, J. Hull, M. Wittman, P. Parrott.

SECOND ROW: G. Daly, M. Bucher, P. Davis, E. Reichard, L. Kappeler, P. Marshall, M. Unger, S. Pohlmeier, W. Wagner.

THIRD ROW: W. Fisch, J. Higgins, T. Cran, J. Kelly, W. Danahue, N. Schmidt, D. Kauffman, G. Woodward, H. Maats.

FOURTH ROW: M. Susco, L. Mason, D. Griffin, E. Quintrell, J. Darrish, A. Diring, G. Stovicek, L. Campbell, W. Spelman, Prof. McGrath.

Other active members who were not present for the picture are: Mary Van Dyke Brown, Robert Cochran, Ned Cofer, Joanne Combs, Peg Ens, Dan Groszewski, Norris Helwig, Pat Heiman, Tom Aldridge, John Bohman, Ruthie Smith, Ruth Kelly, Dan Lochtefeld, James Yerger, John Cavanaugh, Lloyd Mudd, Janis Baker, Mildred Duncan, Vincent Cashman, Robert Tribbe, Suzanne Schlosser, and Mary Anne Hess.

Under the direction of John McGrath, assistant professor of speech and dramatics, the newly organized University Players delighted Dayton audiences with three outstanding productions — "The Male Animal," "Berkeley Square," and "Ramshackle Inn."

Outstanding in this year's productions was Norris Helwig who played two male leads. Other members who turned in excellent portrayals are Madeleine Unger, Rosemary Busic, John Kelly, Peggy Davis, Mary Van Dyke Brown, Joseph Higgins, and Evelyn Reichard.

Largely responsible for the success of any play are the workers behind the scenes — those who design, build, paint and handle the technical details. This year's work of this type was ably directed by Harold Moots.

The group is governed by an executive board consisting of the director and the officers—Harold Moots, Dennis Griffin, Langdon Campbell, Bob Cochran, Rosemary Busic, Merrick Stauffer, and Bill Fisch.

One of the largest groups on the campus, the Spirit Committee consists of over seventy members. During the year the Committee sponsored the pep rallies, Migration Train to the Cincinnati football game, pre-game bonfires and rallies at Union Station. The decorating of the campus for all the football games was done by this committee. All of these activities are directed toward creating a wholesome and vigorous school spirit.

Officers for the year were: President, J. Dennis Griffin; Vice-President, Henry Ferrazzo; Secretary, Grace Luther; and Treasurer, Myra Boland.

Sodality

"Opere et Veritate". By work and by truth, the reactivated Sodality of the Immaculate Conception on the campus has tried to bring its members closer to the Blessed Virgin.

Under the able guidance of Father Edmund Rhodes, S. M., moderator, and its elected officers, Thomas Hoeffel, president; Larry Fitzgerald, vice president; Leo Kessler, recording secretary, and Albert Krouse, corresponding secretary, the Sodality has undertaken various projects, some of which are: Saturday Communions, participation in the Radio Acceptance Poll, its own newspaper the "Sodalist," selection of the May Queen.

Economics Club

FIRST ROW: E. Searless, E. Arling, R. Meyer, K. Knese, C. Kenny, R. Alviente.

SECOND ROW: H. Hoying, F. Schmidt, E. Seebock, Dr. E. O'Leary, D. Kouffman, R. Mangon, L. Krouski.

THIRD ROW: D. Custenborder, R. Niederman, D. Eynon, J. Connabiztar, L. Coracci, J. Steinbruegge.

The purpose of the Economics Club, organized in December, 1947, is to further students' economic interests by analyzing and discussing current problems and policies. The Club's moderator, Dr. E. B. O'Leary, of the Business Administration Division, was influential in arranging such worthwhile activities for the organization as an initial dinner at the Engineers' Club, at which "Marketing Research in Business" was presented by Mr. Paul Attwood.

Besides the weekly business meetings, the calendar of events included several dinners and speakers, round table discussions at our library, and the presentation of papers on various phases of economics by members.

The perpetuation of this organization will be instrumental in making students more economic-minded and capable to participate in discussions of economic trends.

Home Economics Club

FIRST ROW: A. King, M. Kohler, T. Kelble, K. Dahms, E. Lowry, M. Kessen.

SECOND ROW: M. Monty, M. Reinhard, S. Hummert, C. Frank, C. McKenzie, P. Hagan.

THIRD ROW: I. Klapf, L. Kappeler, J. White, M. Hayden.

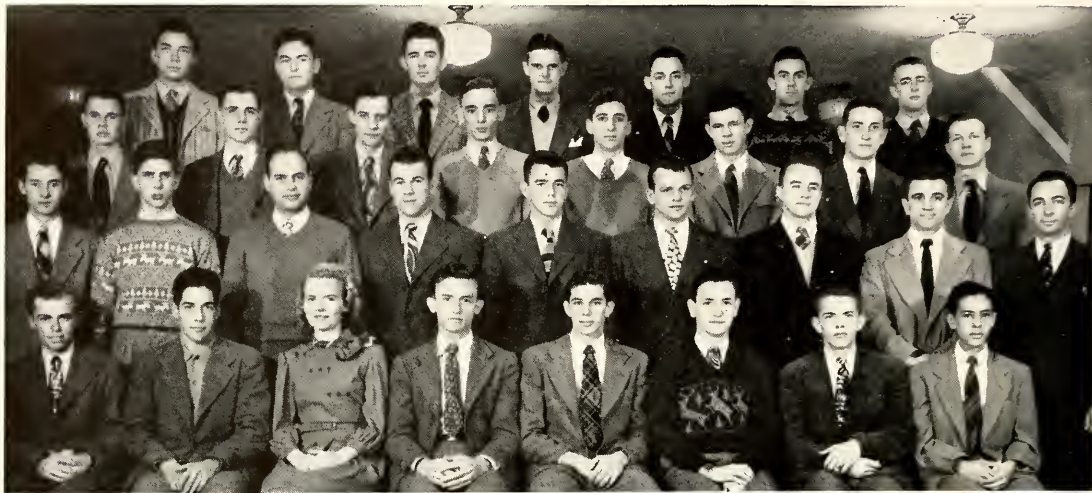

Upsilon Delta Chi, Home Economics honor society, aimed at four objectives this year. They were: to further interest in the university's department, to develop social contacts between members, to spread understanding of the value of home economics in various fields and to train our young women to be ideal homemakers and leaders of their communities.

Officers include: Mary Ann Kessen, president; Isabel Klopff, secretary; Connie Frank, treasurer; Lois Kappeler, social chairman, and Jayne Nyhan, corresponding secretary.

Monthly meetings were both enlightening and enjoyable due to excellent guests. Mr. Morton Fried and Miss Vesta Cornett gave us evenings of musical selections and Mr. Eugene Litkowski, owner of Manor-Decorator, Inc. treated a welcomed topic "Interior Decoration." Miss Ann Fitzgerald, a graduate of the department, told of her experiences in Dietetics work.

Science Clubs

Sigma Delta Pi, an honorary society for those in pre-medical and associated fields, has been active on the campus since 1936. Membership is open to science students whose interests, scholarship, and character meet the basic requirements. There are over one hundred members and pledges in the organization.

Bi-weekly business meetings are followed by lectures on medical or allied fields. Topics discussed this past year by local doctors and members were: Psychiatry, Embryological Anomalies, Drugs, and Demonstration and Identification of Muscles.

The annual social events were the Christmas party, the spring banquet and the highly enjoyable pre-medical picnic at Edelweis Park.

The officers for the year were Kenneth Jackson, president; Randall McClelland, vice-president; Rosemary Coulter, secretary, and Norman Pudzinski, treasurer. Bro. Louis A. Saletel is the moderator.

The University of Dayton Chemical Society is the academic "baby" of the school. It was organized just this year. During the first semester, nine students majoring in Chemistry conceived the idea of sharing their interest and problems in chemical research, and after several meetings, this charter group formulated a constitution.

At the beginning of the second semester, the society received formal approval for existence and activity, and has hopes of growing strongly in numbers. Officers elected for the year are: H. Joseph Eichel, president; Edward Morrissey, vice president; Elizabeth Miller, secretary; Robert Hennessey, treasurer.

The Geology Club was organized this past year to stimulate interest in geology by means of lectures, discussions and field trips. Topics generally beyond the scope of class-room discussions were considered at meetings throughout the year. These included studies of the detailed geology of national and local scenic features, historical geology of foreign areas, and important economic mineral deposits.

Field investigations of local historical geology, stratigraphy, and glacial deposits were made, and additional fossil specimens were contributed to the department's collection.

Officers are: Charles Buckel, president, and Joseph Herbst, secretary-treasurer. The moderator is Mr. George Springer, professor of Geology.

Purpose of the Math Club is to promote interests in branches of mathematics that are not ordinarily discussed in class.

The club follows an active program. In its bi-weekly meetings, student speakers assume the leading roles in competing for the Dean of Science Award. Guest speakers from outside the club are also called upon.

Red Cross

The purpose of the U. D. Red Cross College Unit is to arrange programs for the entertainment of the veterans at the Veterans' Hospital.

During the year, the Unit has given ward parties every two weeks, and has presented a recreational show every month at the Veterans' Hospital. It has also donated records and presented shows at the Dayton State Hospital. Under the direction of "Stretch" Mahoney, a water safety course has been thoroughly carried out. Still in the experimental stage is the Home Service branch. The Unit sponsored the Red Cross fund drive and a course in Red Cross Leadership.

The U. D. Unit has attended conventions at Springfield and Chilli-cothe. It planned the program at the inter-state convention in Springfield.

Officers for the group were Larry Dugan, chairman; Tom Sheetz, vice-chairman; Mary Lou Henne, sec.-treas.; Don Fahrig, program chairman, and Shirley McNeil, publicity chairman.

Exponent

The Exponent is the oldest literary publication on the campus. It practically began with the turn of the century—the first numbers were mimeographed and they appeared way back in the school year of 1902/03. Consequently the current numbers of the Exponent constitute volume forty-six.

This year following the drastic changes in styles the Exponent too has dressed up the cover with drawings and photographs, something never attempted before. Contributions came in from all divisions of the University in the forms of stories, essays, verse, character sketches, and humorous writing. The pages of the Exponent are open to any of the students who have talent and the desire to write.

The editor-in-chief this year was Samuel K. DeHart. Assisting him on the staff were Mary Francis Cavanaugh, John Wharton, Madeleine Unger, Winnie Coates, Wm. Wright, Isabel Klepf, John McHugh, Al Suttman, Patricia Shroder, Marjorie Crutcher, Joseph Higgins, Millie Mooney and Wm. Fitzpatrick. Bro. Thomas Price, S. M. associate professor of English, has been the faculty advisor for the past eleven years.

SPORTS

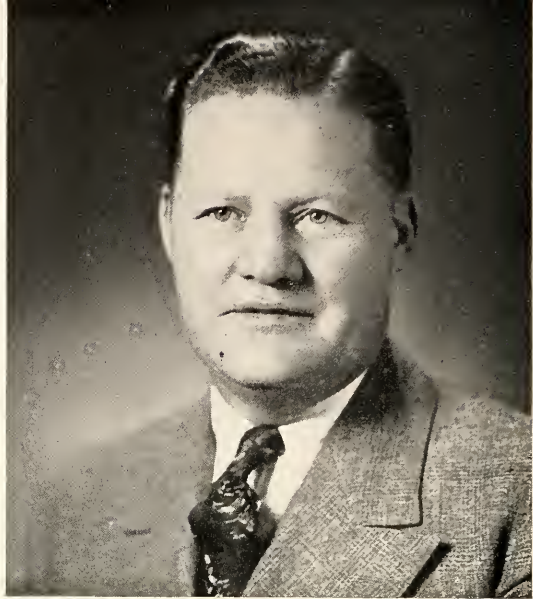

Athletic Director

When the University of Dayton launched its new expanded athletic program last year, Harry Baujan was elevated to the post of Athletic Director. For the 25 years preceding this time, he had coached Flyer football teams with a great degree of success.

In his new capacity, Harry is devoting his energy and skill to the development of this expanded program. He presented a 1947 schedule which listed some of the best elevens in this area.

During his 25 year sojourn as head coach, Baujan consistently fielded winning elevens, gaining national recognition and establishing the Flyers as one of the most powerful small college teams in the nation.

Harry Baujan

Baujan came here in 1922 from Notre Dame, where he played football under Knute Rockne. He gained renown at an end position and went on to star while playing with Jim Thorpe.

Though he presented an outstanding schedule last year, there are many new names on the 1948 schedule, some of them of a very high national ranking. In this manner, he proposes to restore the Flyer prestige to where it was before the war.

Field Strategist

In the spring of 1947, Joseph Gavin arrived on the University of Dayton campus to assume his duties as head football coach. This was to be his first season as a college mentor, but he had brought with him an enviable record compiled at Holy Name High School in Cleveland.

Joe Gavin

The diminutive "Irishman" immediately called spring practice and began the job of installing the "T" system which had never been used here before.

After much hard work Joe launched his charges on a schedule that was anything but easy. The "proof of the pudding was in the eating" as the 1947 Flyers emerged victorious six times in nine outings, including a startling upset win over the powerful Bearcats of Cincinnati.

Gavin, who starred on the basketball team at Notre Dame for three years, gained much valuable football knowledge from the immortal Knute Rockne. He stresses fundamentals and to him every single game is the toughest encounter of the season.

The Coaching Staff

When the new coaching staff was organized, the only holdover from the previous year was Joe Quinn, a graduate of the University of Dayton. While attending here, he starred for two seasons at a halfback position and was named the most valuable player in his senior year. In addition, he received honorable mention on the All-Ohio team.

Joe joined the coaching staff in 1946 in the capacity of Freshman coach. Under the new regime, he serves as the backfield coach.

In the formation of the new coaching staff, head coach Joe Gavin specifically asked that Daniel Piloseno be given the position of line coach. Danny reported for duty in the spring of 1947, coming from Cleveland Heights high school at which place he established a very impressive coaching record.

Piloseno, who played football at North Carolina State under "Hunk" Anderson, is thoroughly versed in the "T" system and his fast, hard-charging line was a big factor in the successful 1947 gridiron campaign.

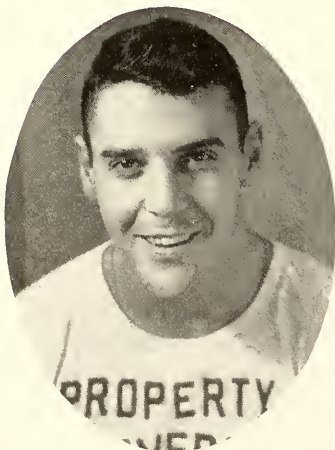

John Marschall reported to the University of Dayton in the fall of 1947 to take over the task of guiding the Freshman team. His appointment rounded out the new coaching staff.

This past season, his hustling aggregation lost only a single contest and when the season drew to a close, he presented head coach Joe Gavin with one of the finest and most promising groups of Freshmen this campus has seen in some time.

Johnny is a local product, having been graduated from the University of Dayton in 1943. While in attendance here he was a star lineman on the football team.

Retiring Captain

The 1947 football season marked the first time in the history of the University of Dayton that a captain was elected for the entire season, and the honor went to Dick Dahn, veteran end. At the close of the campaign, Dick was given positions on the All-Catholic team, the International News Service first string and the Associated Press All-Ohio second team.

Captain-Elect

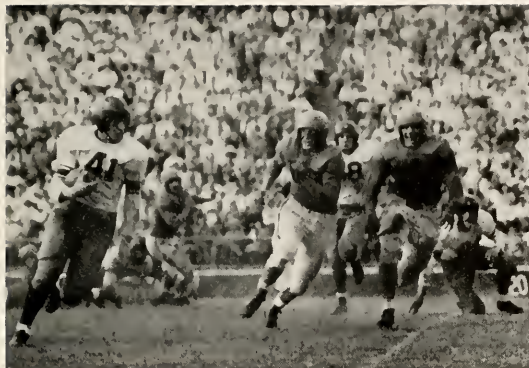

Jim Hanby will captain the 1948 football team, replacing the retiring captain Dick Dahn. Jim, who is a graduate of Dayton Stivers, was a mainstay last season at a guard position. His stellar performance was rewarded with a position on the 1947 Associated Press All-Ohio second team.

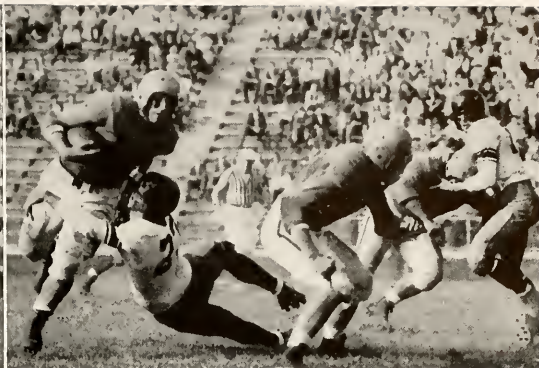

A New Era

Scranton

A new era in the football history of U. D. began when the Flyers met the Royals of Scranton on September 28. The game was the first in more than a quarter of a century that the team played under a coach other than Harry Baujan but the new coach, Joe Gavin, was not one to be overawed by stage fright in his new role as a college coach nor were the Flyer gridsters a team to let him or other Dayton followers down. The newly installed "T" proved very effective as the Flyers "ran over" Scranton with three TD's in the first half and one more in the final quarter.

Artful Art

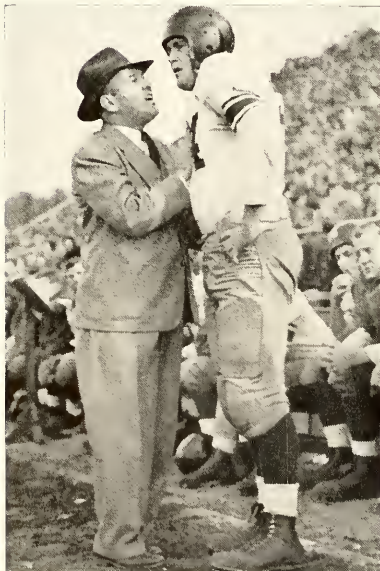

In his year as a member of the Varsity, Art Bok was the leading ground gainer and scorer on the 1947 squad. He traveled 665 yards on the ground for a 5.2 yard average and chalked up 11 touchdowns to set a new Flyers record. In addition to his ball carrying, he averaged 39.6 yards on punts. At the season's close, Art was placed on the first team of the Associated Press All-Ohio eleven.

Bok is on his way

Hold him Fran, here comes "Chief"

Oh! Frank

Bowling Green

With "artful Art Bok" spearheading the Dayton ground offensive coupled with the ever faithful passing of Ed "Chief" Toscani, the Flyers added another victory to the docket. In the first period Bok scampered 46 yards for the first TD—Dobbins added the extra point. In the second period "Chief" flipped a pass to end Dick Dahn in the end zone. The BG's capitalized on a blocked kick by recovering it in the Flyer end zone in the second quarter. The third quarter the Flyer patriots once again witnessed the BG's pull one of those "fluke" plays which featured the combination of a play, lateral, and fumble for a score. This made the score 13-13. The indomitable "will-to-win" in the heart and soul of every Flyer on the field was not to be denied as they retaliated with a 75 yard drive in the final quarter to the BG goal line where Bok delivered the pigskin. The final score . . . 20-13.

Just no hole.

Cincinnati

. 24,000 google-eyed fans saw the Flyers down Cincinnati in the Bearcats stadium in a game that ranks with the best in U. D. football history. The Flyers were on the short end of the score twice but they retaliated by driving, pounding, and slashing at the Bearcat defense. Cincinnati's Stephans ran the opening kick-off back for a TD but Dayton soon tied it up before the first stanza was over. By the half Dayton was again behind, but an inspired team refused to be beaten and in the second half Bok and Babonie crossed the chalk line on rifle like passes from "Chief" Toscani. On the final play of the game Munger intercepted a pass in the Bearcat end zone and ran it out 40 yards to save the game and make Ray a real "football hero" U. D., 26 - U. C., 21.

Bob Dobbins, besides playing at a tackle position, became the "toe" on the 1947 squad. But "Lady Luck" frowned on him in the Toledo game when Bob broke his hand and had to remain out of action the rest of the season. However, in the four games in which he saw action, he registered 9 conversions.

Toledo

Exceptionally long gains by Janaszek and Delp amounting to 53 yards put the Flyers ahead of the Toledo Rockets 7-0 after only 11 plays in the first quarter. In the second quarter the Rockets indulged in some unorthodox playing by throwing passes within their 10 yard line. The inevitable happened as Bok intercepted. On the following play a pass to Dahn added six more points.

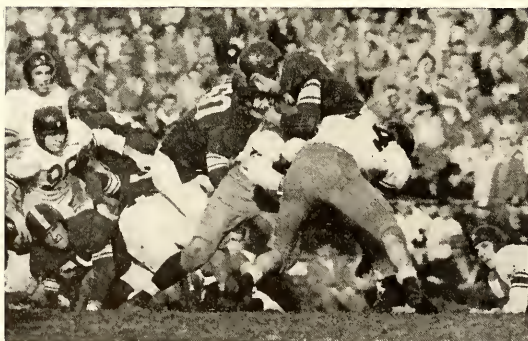

"Bart" rips off a few yards.

In the second half Dick Huston a fleet Negro back from Toledo intercepted a Dayton pass and in a spectacular show of driving, dodging, and pivoting tallied 6 points for the Rockets. The attempted conversion was successful. Again in the final quarter Huston grabbed a pass and was off, this time for 72 yards and the TD that tied the score. The kick-for-point was good and the Rockets pulled the upset of their season. U. D., 13 - T. U., 14.

Chattanooga

The Moccasins of Chat'ga capitalized on a Flyer fumble early in the first quarter. The Flyers quickly retaliated and Bok, Janaszek, Boxwell, and Delp ground their way to the Mocc's end zone from the Dayton 45. Neither team scored the points after touchdowns. In the third quarter

the Mocc's again realized profits on a Dayton mishap by converting a Flyer fumble into a TD making the score 12-6. In the final stanza both teams scored a touchdown and extra point. In the final minutes of play, through defiant strategy, U. D. swiped a Moccasin ball and scurried within 15 yards of a TD, only to have the clock kill this game — defying bid for victory . . . U. D., 13 - C. U., 19.

Next down coming up

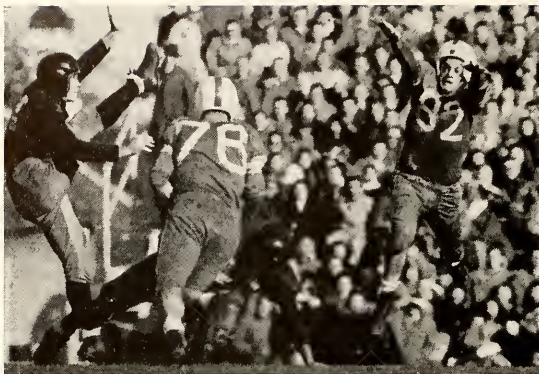

Mariscalco gets his man as Ducey moves in.

Xavier

A week of grueling practice proved to be a lucrative past-time to the Flyers when they met Xavier on the U. D. grid. After three minutes of play Bok punted Xavier deep into their own territory — the line held through four plays — Bok carried the pigskin over for the first TD. Late in the first half the Flyers took the ball on the 46 and Bok on the first play shot, squirmed, and sprinted 54 yards for another TD. On the first play of the second quarter Bok picked up the ball on the 45 and with the surefootedness of a mountaineer, and behind amazing "Hollywood style" blocking, sprinted down the sideline for the third Dayton touchdown. The score at the half stood at 19-0. During the halftime ceremonies the crowning of Betty Hodapp, a junior business student, as Homecoming Queen climaxed an election campaign unprecedented in intensity in the history of U. D. In the second half every "sub" on the bench literally had a field day by amassing a grand total of 38 points while allowing Xavier only 6.

Ooh!!

Bok kicks away

Good for a "T. D."

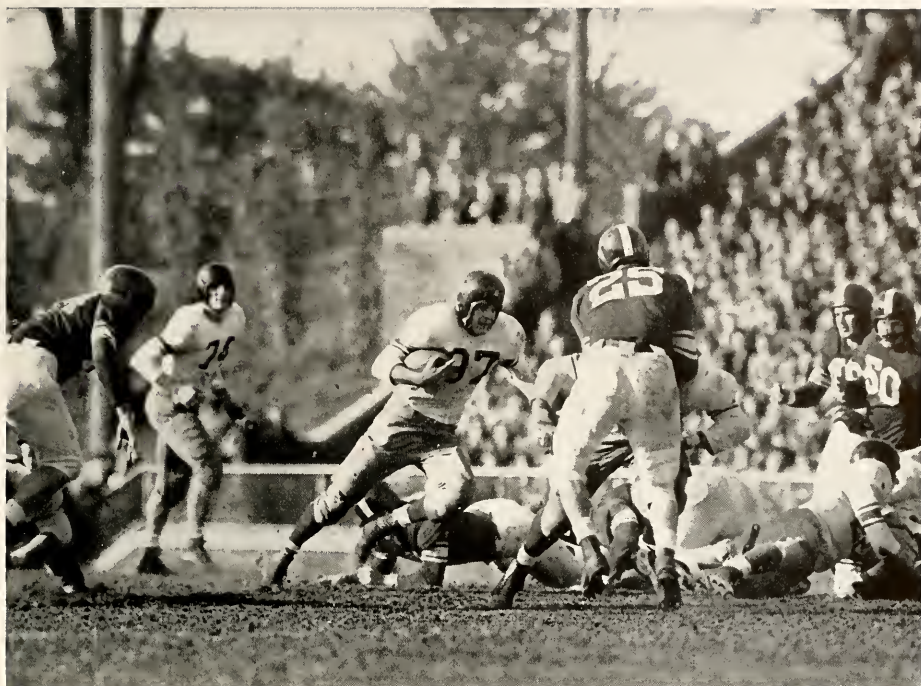

Miami

The Flyers were unable to cope with the Texas Sun Bowl Champs of Miami when the two teams met at Oxford. The Redskins scored on a 55 yard drive to the Dayton goal in the first quarter with three minutes to go. Their try for an extra point was thwarted by a vicious block by Bill Lange. Twice during the game Dayton executed drives that threatened to ring the bell but each attempt was eventually frustrated. In the last quarter a pass of Toscani's was tipped into the hands of Miami's Parsheghiam who ran 30 yards for the second Miami TD. The Flyers lost this game and in the annals of football history it will be recorded as such but in the unwritten annals, the memories of those who played and witnessed that game is recorded as a living example of the undaunted spirit that makes this nation, this school, and our team a really great one.

Bachus

Bill Bachus didn't get to see any action with the Flyers this past fall. In one of the opening scrimmages before the season actually got underway, Bill dislocated his shoulder. However, he gave much help to Johnny Marschall in coaching the "backs" on the Freshman team. Bill was a member of the Varsity in 1942-46 and 47.

Stan punches for 10 yards.

Ohio U. and St. Bonaventure

In a sea of mud the Flyers handed Ohio University a decisive beating. In the first quarter the Bobcats scored against the second team. A Toscani, Groene, Boxwell drive carried the ball to the six inch line where "Chief" sneaked it over for the second TD. An intercepted Bobcat pass brought the ball to the six yard strip where a Zaleski-Saelzer pass registered the final score U. D., 18 - O. U., 6.

A bleak day greeted the Flyers for the last game of the '47 season. A Bonaventure TD early in the second quarter made the day even less inspiring for the three departing seniors on the squad as well as all other loyal Dayton supporters. However, a performance of inspired football by Stan Groene saved the day for U. D. when in the final stanza he spirited a drive that led to the tying TD. "Bernie" Otten a heretofore unknown parted the crossbar with a perfect placement making the final score U. D. 7 - Bonaventure 6.

Groene

Due to a shoulder separation suffered in the third game of the 1946 season, Stan Groene didn't get back into action until the Toledo game this fall. However, Stan, in the last six contests of 1947, played sparkling football and compiled an average of 4.6 yards for every carry. He was also a letter-winner on the 1942-46 teams.

That's as far as he went.

Fresh Football

If past performance is any indication of future success, the University of Dayton has much to look forward to on the gridiron. The Freshman squad under Coach Johnny Marshall turned in a 1947 record of four wins, one tie and one defeat. Outstanding players include Spike Stachlar and Stan Kurdzeil on the line along with backs Bill Murphy, John Callahan, Leroy Ka-Ne, and Joe Bannister.

Cheerleaders

With sports at the University comparing favorably with pre-war seasons, so to, has the cheerleading risen to heights under the direction of Freddie Freauf.

Intricate, snappy, musical, and acrobatic cheers are worked out to bring added zest to the cheering sections. Acrobatic stars of the squad were Al Ponce and Dan Romer.

The potential wealth of talent on the cheer-squad is sure to blossom forth into one of the smoothest running outfits in the state.

Following are members of the squad: Freddie Freauf, Earl Moorman, Al Ponce, Dan Romer, George Daly, Joan Murray, Dave Tate, Jean Stewart, Frances Dersham, Ann Griffin, and Virginia Grahm.

Managers

When you saw the Flyers thunder on the playing field this past season the men who saw that they were dressed properly and fitted out for the maximum of protection were five managers headed by Jake Stebrel. Assisting Jake were Eddie Marrinan, Tom Scholey, Boom Boom Beck, and Bob Cachran.

These men put in many long hours before and after each game taking care of the squads equipment.

Having the responsibility of caring for thousands of dollars worth of equipment Jake and his crew are deserving of a lot of gratitude for a job well done.

Tam Blackburn

Varsity Coach

Simultaneous with the appointment of Joe Gavin as football coach, last Spring, came the announcement from the U. D. athletic board of the hiring of Leonard T. Blackburn as the first full-time basketball coach in the history of the school. His appointment completed the cycle of new bosses in the athletic set-up. Tom, as he prefers to be called was well-known in these parts a long time before he was thought of as the new basketball mentor on the Hill-top.

The sandy-haired Blackburn has 12 years of high school coaching behind him. Upon his graduation from Wilmington college in 1931 he took over the basketball coaching reins at West Carrollton High. In four years there, his teams piled 58 wins as against 22 defeats.

Gaining acclaim fast, Tom moved over to Xenia Central High. He stayed with the Buccaneers through eight seasons, and met with great success in almost every campaign. In 1942 his Bucs rode roughshod over the pack and carried off the State class A championship. On top of that his charges took regional honors on three occasions, and won five Miami Valley League titles.

Tom, now on his way toward his 42nd year, has turned out such cage luminaries as Ray Snyder, Bob Winters, and Paul Huston, who starred not only under him at Xenia but also at Ohio State.

In his first season at U. D., his Flyer team compiled a record of 12 wins against 14 losses. Practically the same team had won only four of 21 starts last season.

Co-Captains

Here is Bill Ginn, co-captain of the 1947-48 edition of the Flyers. As a high-school star at Stivers, he gained a berth on the city All-Star teams. In his freshman year at U. D., Bill set a new seasonal scoring record for basketball on the Hill-top, by putting in 245 points. Standing six feet, one inch, Bill's favorite point-getter is a push shot from the corners. Now a junior, "Willie" will be back next season ready to cause more worries for Flyer opponents.

Jim Finke, the only senior this year's cage squad, together with Bill Ginn was honored with the co-captaincy by his team mates. The 25-year-old Finke is a product of Dayton Chaminade high. Jim, an army veteran, besides being a basketball player is a member of the student council. Finke, who stands 5'11", found that the service had kept him in fairly good condition, and early in the fall practice sessions, Jim was running circles around the 'youngsters.' Though not a big point getter, his defensive strength was outstanding. He'll be missed next year.

Season In Review

The Flyers opened the season with an easy 61-30 win over the Wright Field Kittyhawks. The Ohio U. Bobcats showed our lack of reserve depth, as they out-rushed the Flyers and capped a 46-40 decision . . . Back above the .500 mark bounced the Red-and-Blue, as they won a 50-43 verdict from rangy Youngstown . . . Wonder of wonders! Blackburn taught his under-sized pupils the secret of handcuffing Miami's big center, Bob Brown, and in so doing beat the Redskins 64-53 . . . Third straight for the Flyers as they blasted Cedarville 73-49 . . . Louisville stopped the short winning streak, with a 69-53 whipping . . . Back on the victory trail went the Flyers as they shellacked Rio Grande (Newt Oliver University) by a 77-33 plurality . . . The shaky floor of the Music Hall, slowed the Flyers fast break, and Hamline College coupled that with excellent marksmanship to take the verdict, 58-43 . . . Bliss (and serenity) were not the order of the night as the Flyers breezed past Bliss Business College 69-51 . . . Brodley wheeled out plenty of artillery to greet the Flyers at Peoria, as they had little trouble in taking a 79-46 win . . . Cincinnati threw another log on the fire as they

racked up a 61-43 verdict . . . Wilmington however, became the seventh victim of the Hilltop crew, as they were scuttled 73-49 . . . The Flyers easily passed up the 700 point mark, as they nosed Detroit 54-50 . . . The roof caved in at the Rocky Thomas Memorial Game at the Xenia fieldhouse, as the Flyers hit for 100 points — a school record — against Concordia, and the final score was 100-7. Incidentally that 53 point margin was most lopsided of the year . . . Bill Ginn led the individual scoring column as he hit for 23 markers. This was the highest single score of the season. Following this scoring spree Cincinnati humbled the Blackburn crew for the second straight time, this one on their own floor 68-34 . . . Toledo scored a 53-39 victory at Toledo, as the Flyers took off on their longest road trip . . . Dayton threw a scare into the Rockets tying the score 35-35 before bowing out . . . Bowling Green staved off a blazing Flyer rally to hand them their third straight loss, 71-68 . . . Some semblance of face was salvaged in the third game of the extended road trip, as Detroit went down to their second loss at the hands of Dayton, 32-28 . . . Xavier, top team in the State, bristled with strength, as they blazed past the Flyers for an easy 72-52 win . . . Baldwin-Wallace was another nut which was just too tough for the Flyers to crack, as they were on the short end 71-58 . . . Another losing streak hit the No. 3 mark, at Anderson, Indiana, as Anderson whaled the roving Red-and-Blue 86-65 . . . Wright Field fell before the Flyers for the second time in the season, 71-38 . . . But the Rockets from Toledo put the Flyers below the .500 mark this time to stay, as they broke away in the late minutes of the verdict, their second of the season from the Hilltoppers . . . Xavier stopped the Flyers again as U. D. scored their fewest points of the season. The Musketeers humbled them with their power for the second time 57-32 . . . Revenge, sweet revenge, was Miami's, as they gave the Flyers their worst defeat of the season, an 89-45 shellacking. Both the defensive yield of the Flyers and margin of defeat were their highest of the year . . . The Hilltoppers closed the season in grand style by pulling an upset over favored Marshall college. The Herd from Huntington, Va., were the defending NAIB champs, but this didn't mean a thing as the Flyers found the range for 58 points, while Marshall clicked for only 52 markers. With this win, the Flyers ended their season with a record of 12 wins against 14 losses.

Junior Varsity

The unusual, if not unique task of trying to mold a well-functioning junior varsity squad from a lineup that was never the same twice, was the lot that fell to reserve basketball coach Johnny Marschall.

But despite the 'working conditions' Marschall had turned out a good representative team by the end of the season.

In 13 games, the reserves won six and dropped seven. Their Schedule pitted them against top local amateur teams from Dayton, as well as two more against the gridders.

On the winning side of the ledger were victories over the 103rd A. A. C. S. from Wright Field, the Dayton Police squad, Millett's — top amateur squad in Dayton, the Veterans Administration, and two over a team made up of football players.

Losses were to: Colonial Music, Youngstown reserves, National Cash Register, Carl's Body Shop, Moose Lodge, again NCR, and the Xavier frosh.

Baseball

With the advent of Spring, coaches Harry Baujan and Danny Piloseno issued the call for baseball candidates. Due to inclement weather, the 80 diamond hopefuls were forced inside for the initial workouts. After several sessions the team was compacted to a squad of some 30 players.

A tentative schedule of games was arranged. This kept the spirit of the team high and the fight for regular positions went on at fever pitch. An improvised diamond was used for the daily workouts, with several intra-squad games taking place.

The pre-season outlooks were bright, as there were quite a number of returning lettermen and an equal number of aspirants who were veterans of local amateur baseball. Baujan and Piloseno held high hopes for quite a successful season.

Breaking the tape.

The University of Dayton was re-introduced to another sport by way of the expanded athletic program this Spring when a track team was organized and entered into active competition. Approximately 70 boys turned out for the team indicating that interest was high. This marked the first time in eight seasons that the University of Dayton was represented on the cinder path. Consequently, this year has been more or less experimental and served as a building process for the future as track will become a regular feature of the athletic program.

Handling the coaching assignment for this venture was Joe Quinn, who was a track man himself while attending here. He received a letter in his sophomore year, the last year that a track team was active, specializing in the 440-yard dash and the mile relay.

In executing his first assignment along these lines, Quinn led his charges through a series of meets that included such formidable competition as Cincinnati, Ohio Wesleyan, Wilmington, Cedarville, Miami, Xavier, and Louisville.

Recreational Activities

Recreational activities under the effervescent leadership of Mr. Schwartz and Miss Dolby swung to a new high in individual participation. Tournaments in both outdoor and indoor sports were on the program, as well as various instructive classes. A vote of appreciation to Mr. Schwartz and to Miss Dolby for their fine intramural recreational program should be given.

FIRST ROW: F. Quinn, J. Wagner, R. Munger, B. Bachus, J. Finke, B. Dobbins, S. Groene, J. Delp, R. Janasek, J. Hanby, R. Maier.

SECOND ROW: B. Beck, J. Zaleski, R. Wagner, W. Gutbrad, D. Mills, J. Taerner, J. Shroyer, R. West.

THIRD ROW: A. Spoeth, E. Reidy, R. Shaeffer, G. Wolke, E. Tascani, D. Babione, K. Baxwell.

FOURTH ROW: W. Saelzer, W. Lange, R. Dahn, A. Bak, F. Maloney.

Monogram Club

This club is strictly an honorary organization made up of the men who have won their "D" in the major sports. They are organized to uphold the respect and regard of the coveted Blue "D" and also to endeavor to keep athletics at the highest possible standard and to promote good sportsmanship and fair play in all of their activities.

Being one of the oldest organizations on the campus, it frequently lends its talents in assistance in promoting various projects. Since the war the Club's activities have been limited. However the Club plans to take a more active part in campus activities this coming fall semester.

Officers of the organization are honorary this year with the honors going to Jim Finke, President; Bob Dobbins, Vice-President; Bill Bachus, Secretary, and Stan Groene, Treasurer. These men will graduate in June.

November

Like a tornado, the whirl of Homecoming was upon us. Friday, October 31st, started things off with a big bonfire and pep rally. Next day we watched the Flyers drub Xavier on a perfect fall afternoon, and capped a glorious weekend with the big dance that night at the Biltmore. What a dance! Hot, noisy, crowded, liquid — but good!

January

In spite of the cold weather, deflated pocket books, finals, and sundry incidental matters, the majority of the Hill-toppers managed to get through the month with a minimum of bruises (mental or physical).

W.A.A. had a dance on the 10th at the Silver Forest, and we found that juke boxes weren't so bad after all, even on a postage-stamp dance floor. But on the whole, a fine time was had by all, with snow . . . and plenty of it . . . numerous ice skating and sledding get-togethers came off. For details, consult Jeannie Stewart, Art Bok, Fran Dershem, and Frannie Quinn.

February

Highlighting the month was the Junior Prom at Lakeside. The evening of the 6th saw us dance - at times - to the music of Buddy Moreno and his crew, and applaud as Marilyn Kohler and Dick Dahn were crowned queen and king for the occasion. Then there was Joe Higgins and "Inka-Dinka - Doo." 'Nuff said!

Two Hangar dances came up this month, and Hank Ferazza, Sandy King, and Chuck Crowley took time out to celebrate their coincidental birthdays. By the way, one picture on the lower half of this page might as well have a big wheel as a frame.

March

Lent cut down considerably the number of parties and dances we attended—not to mention the trade at the Heid and the K - - and we got along with one Hangar dance plus a plaid shirt and jeans affair given by Omega at Nottingham Pines. Everything went well at the latter dance, although Mary Stoermer is probably still a wee bit embarrassed from finding out she was engaged. And Mickey Stauffer in a German marine's uniform did his bit to make the evening "flow" along.

Turnabout Tag

Turnabout is fair play, and what play this was! The coed's choice of a king for the night was Bob Tormey, the lad with "that" way with the lossies. And since this is the one night that the women open the doors, hold the chairs, present the corsages—pay the bill—what could be better?

Military Ball

The Pershing Rifles went all-out on the Military Ball April 16th, giving us not one but two orchestras to dance to. Karl Taylor and Dick Skapik provided the music, and with ribbon-becked uniforms, drill by a picked squad of cadets, and pretty Jean Stewart as queen of the event, it proved quite an evening. Quite!

May

This merry month was just that for us. The C.S.M.C. sponsored the "Maytime Magic" at the Silver Forest, and the Spirit Committee used the same locale for its dance on the 14th. Then came the out-of-this-world Senior Farewell at Lakeside, with Randy Brooks making with the music. Ah, what a dance! What a month! What a year! Time flies, no mistake about that.

May Procession

One of the year's most inspirational activities is the May Procession. This is an annual event which is looked forward to by students and faculty alike. It is such an impressive sight to see the students wending their way singing and praying through the beautiful campus. The Seniors dress in cap and gown for this occasion, and a girl is chosen to present a wreath of flowers to the Blessed Virgin Mary, whose statue overlooks the grounds. The songs and prayers of these students and members of the faculty are truly inspiring, and many students have formed the habit of saying "Hail Mary" every time they pass this statue.

Where will you invest YOUR 100,000 HOURS?

At 25 years of age, you have about 100,000 working hours until you reach retirement. Your success in life depends upon how and where you invest those 100,000 hours.

Choosing the field in which you are going to work and choosing the organization of which you will become a part are two of the most important decisions you must make.

In order to arrive at the proper decision, you should know the answers to many questions . . . some about the field, some about the organization. You should be just as interested in what a specific company has to offer you as the company itself is interested in your qualifications.

To answer some questions about one field . . . selling . . . and about one com-

pany . . . The National Cash Register Company . . . is the purpose of a booklet entitled "Your 100,000 Hours." It is published by The National Cash Register Company. A copy is available to you, gratis, at any NCR branch office, or you may secure one from the Sales Training Division at the factory.

SUCCESS TO '48 . . .

. . . . success in finding a position or vocation where your training can best serve human wants in your community and in the nation. The world needs educated minds developed in the spirit of good-will.

The value of your University is measured by your contribution to society—and your own success depends on it.
